

TERMS AND CONDITIONS

1. You must be the original purchaser; this warranty does NOT transfer from the original purchaser.
2. Your furniture is used for normal household use. Your furniture is NOT warranted for commercial use.
3. That users do NOT exceed 140 kilograms in weight.
4. You must follow care and maintenance guides for your product and NOT use silicone cleaners or non recommended products for maintenance.
5. Furniture that is damaged from misuse, neglect or

accidental damage is NOT covered by this warranty.

6. Seat cushions settle with use and it is normal for cushions to compact over time.
7. Recliner triggers are covered for a period of 12 months.
8. Any repair or remedy action under this warranty does not extend or renew the warranty.
9. This warranty is VOIDED should you modify or change the product in any way or if a defect occurs as a result of storage, handling or transportation of the product in an incorrect manner.

10. This warranty does NOT cover products that have been affected by flood or storm damage or any other environmental influence such as fire or earth quake.
11. Should it be necessary to return the product to your Furniture Court store for repair (or our authorised repairer) to carry out any repairs or inspections, all transport charges shall be prepaid both ways by the purchaser unless deemed a manufacturing fault and authorised in writing by your Furniture Court store of purchase.
12. This warranty does not cover the extra cost of transportation where

products have been moved interstate or to a remote location and need to be repaired under warranty.

13. Nothing contained in this warranty is intended to purport to restrict, modify or exclude the operation of any of the provisions contained in the Sale of Goods Act or the Trade Practices Act 1974 or any similar or substituted enactment or any relevant state legislation.
14. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law.

caring for your zoletti purchase

Full instructions on how to care for your purchase are available from your Furniture Court store or are available online from one of the two leather care suppliers recommended by Furniture Courts stores.

We recommend using Multimaster branded products. Find them at www.multimaster.com.au

Leather Lounge Care

Caring for leather furniture is quite simple. First and foremost always follow these instructions, if you are in any doubt please contact your Furniture Court store of purchase.

- Leather Furniture is a significant purchase and care should be taken to use the product the way it was intended. Do NOT sit on armrests, DO NOT drag or move furniture by the arms. DO NOT sit on footrests they are made to rest your feet on.
- Recliner chairs and lounge suites are not intended to support weights over 140 kilograms.
- DO NOT allow children to jump on or over the back of chairs.
- We all love our pets but please be aware that allowing your cat or dog to sit on your new lounge may scratch or damage the leather. Cats and dogs for whatever reason have been known to 'lick leather' which should be discouraged and wiped over as soon as possible with a soft cleaner and conditioner.
- DO NOT place your furniture in direct sunlight or close to

heaters and keep chemicals, paint, fingernail polish, fingernail polish remover, bleach, glue and household cleaners well away. If you spill any of these products, soak up excess as quickly as you can and call your local Furniture Court store on what to do next.

- Vacuum your leather products regularly with the soft upholstery attachment on your vacuum cleaner.
- Leather should be wiped over as part of your normal cleaning routine with a damp, clean, soft cloth. A chamois kept for this purpose is ideal.
- Remember not to use household cleaners and to be wary of using cloths that have had household cleaners on them in the past. DO NOT USE SILICONE PRODUCTS OR CLEANERS use only leather-care products recommended by your Furniture Court store.
- The most important maintenance for the longevity of your Zoletti leather product is the regular use of protection cream which is available from your local Furniture Court store. Please apply the protection cream liberally to all

areas of the suite, apply two or more coats to areas such as the arms, footrest, seat and headrest. Protection cream keeps your leather soft and supple and coats the leather making it easier to clean in future. Detailed instructions can be found at www.multimaster.com.au

- Every three months or when your leather appears grubby, it will need to be cleaned with a soft cleaner available from your Furniture Court store. Follow the instructions of use to clean the leather but afterwards apply conditioner once again to the areas you have cleaned.
- If you notice marks on your leather that do not respond to the soft cleaner, do not rub the area excessively, call your local Furniture Court store for instruction. In most cases if you have applied a liberal dose of protection cream on the leather, soft cleaner will remove the marks. Stubborn marks may require a stronger cleaner, your local Furniture Court store will advise you on the best solution. Ink and mould both have specific cleaners for their removal.

Fabric Lounge Care

- All fabrics require regular vacuuming (weekly/ fortnightly) with a clean upholstery attachment, as dust will cause premature wear and discolouring if left.
- Treat spills and stains as soon as possible. Gently scrape any soil or mop any liquid from the surface of the fabric. If spills do occur, blot area DO NOT RUB. If using any cleaning product we recommend that you first test the product on a hidden area to ensure fabric and colour are not removed.
- For best results, we recommend that you contact a professional upholstery cleaner.
- Rotate reversible and interchangeable cushions regularly.
- Keep away from direct heat sources and avoid areas that might be damp.
